

educational Live Action Role Playing Games

DiveIn larp project

eduLARP - educational methodology raising awareness of
radicalisation, polarisation and conflicts in the society

IT'S A LIVE ACTION ROLE PLAYING GAME!

**Live what you couldn't
ever live yourself!**

**Test consequences of
your actions!**

**Transform into
"Master of Self"!**

Full publication: europe4youth.eu/blog/portfolio/divein

HOW DOES IT WORK?

Participants are becoming new characters and enter imaginary world designed to experience, explore and learn from and with other players!

Play with us 5 scenarios:

Polythropia

future, climates of steampunk with androids

On the way to Edin4

half-LARP half board game in postapocalyptic reality with pre-historical tribes,

Trapped aka Siege of Gimle

viking world, medieval-fantasy, alternative world,

The Fall of Ancien Regime

historical times of French Revolution.

School Council

chamber eduLARP, discussing important issues of the world
